

# FIU WIFI GUIDE

1. Select **FIU\_WiFi** from the list of networks on your device

2. Open your favorite browser (e.g. Safari, Google Chrome, Internet Explorer, etc.) and type <https://network.fiu.edu/visitor/> in the search bar.
3. You will find a page with the title “**Visitor Registration.**”
4. Please fill in the necessary information and click **Submit.**

## Visitor Registration

In order to secure your online identity, the Division of IT is requiring that all users who do not currently have MyAccounts credentials must create a username and password. In order to log on to the **FIU\_WiFi** network, please create a Guest ID and password on the form to the right. Your Guest ID and password will be valid for 24 hours.

If you have created an account please login [here](#)

Username

Mobile Phone Number  
Create a password

Your password must be at least 8 characters in length, 1 uppercase letter, 1 lower case and 1 number.

Confirm your password

Name

Email

Affiliation

5. You may select “**Visitor**” as your **Affiliation.**
